

Class meeting

You are to follow the rules any group would follow today in holding a meeting and making a decision. Remember the rules used in Aboriginal societies, such as being respectful of elders and that there must be a consensus.

Meeting rules:

- respect elders
- do not talk over other people
- listen to what others say
- allow people to present their side of the story

Agenda item

To decide on an action plan as a result of the problem.

Our problem is:

The Chairperson of the group must be prepared to report back to the whole class on the action plan that has been drawn up. That person should also describe how the group managed the consensus process.
